

COLOR NEWS FLASH

READY MIX COLORS OF FORD AND HOLDEN

Over the last few years some car manufacturers have selected colors that contain “special pigments” These pigments are not in our regular toner assortment:

1. Chromoflair
2. Colorstream
3. BL2600 Blue and YL2600 Yellow are coloured (coated) Aluminium's
4. Cosmic Turquoise is Blue/Green Xirallic

[Ready Mix formula are available for all the Colors](#)

[Please contact Your Distributor / Branch to order the pre-mixed paint.](#)

Manu	Color Name	Color Codes	Special Effect in the OEM Color	Variants	Formula Availability
Ford	Mystic	MY	Chromoflair	No Variants	Only Ready-mix - Contact Branch / Distributor
Ford	Fantasy	CF	Chromoflair 230 and 190	3 lighter Variants, L, L1, L2	Only Ready-mix - Contact Branch / Distributor
